Private Collections Salon and Sale

Exhibition dates: July 19 – September 13, 2025
Open House Event: Saturday, July 19 | 11am – 3pm

Jackson Fine Art is pleased to present its **eleventh annual Private Collections Salon & Sale**, featuring over 120 works by 60 of the most influential 20th-century and contemporary photographers. This curated exhibition will be on view at our Buckhead gallery, located at 3122 East Shadowlawn Avenue, and simultaneously accessible via our Online Viewing Room at jacksonfineart.com

Our annual Private Collections Salon & Sale exhibition was established to provide collectors with a more intimate and trusted platform for selling works from their collections. With over three decades of experience in the photography market, we are uniquely positioned to connect important works with new potential owners.

We will be offering sought-after icons by classic photographers including **Ansel Adams, Henri Cartier-Bresson, William Eggleston, Walker Evans, Gordon Parks, and Irving Penn**, as well as sold-out works by contemporary masters such as **Candida Hofer, Annie Leibovitz, Sally Mann, Richard Misrach, Alex Prager, Marilyn Minter** and more.

Southern Visions: The Andy Ghertner Collection

William Eggleston
Untitled, Louisiana, 1980

Alongside the Private Collections Salon & Sale this year we are thrilled to spotlight a curated selection of available works from the private collection of Atlanta collector and Cushman & Wakefield Commercial Real Estate Veteran, Andy Ghertner. Begun in the 1980s and featured in *The New York Times* in 2018, Ghertner's collection reflects a decades long passion for the south and its broader impact on American visual culture.

Highlights of the Ghertner collection include several early **William Eggleston** dye-transfers, **William Christenberry, Elliott, Erwit, Lee Friedlander, Gordon Parks** and more.

Most of the works from the collection were acquired early on from two of the first galleries in the South to represent the medium of photography, the Atlanta Gallery for Photography and Jackson Fine Art.

Curator **Malia Schramm** has been with the gallery since 1999 and specializes in secondary market consignments and sales.

"This exhibition reflects the evolving interests of collectors and remains one of the most anticipated events on our calendar." — Malia Schramm
