

**Jackson Fine Art's 12th annual
Private Collections Salon and Sale**

Exhibition dates: July 25 – October 10, 2026
Open House Event: Saturday, July 25 | 11am – 3pm

Jackson Fine Art is pleased to present its **twelfth annual Private Collections Salon & Sale**, featuring over 100 works by some of the most influential 20th-century and contemporary photographers. This curated exhibition will be on view at our Buckhead gallery, located at 3122 East Shadowlawn Avenue, and simultaneously accessible via our Online Viewing Room at jacksonfineart.com

Our annual Private Collections Salon & Sale was established to provide collectors with a trusted platform for the private placement of works from their collections. Drawing on more than three decades of expertise in the fine art photography market, we are uniquely positioned to steward important photographs into new collections and institutions through a thoughtfully curated exhibition that offers an alternative to the public auction market.

Loretta Lux, Antonia, 2006

Richard Avedon, Nastassja Kinski and the Serpent, 1981

We will be offering a mix of sought-after icons as well as lesser-known gems by classic photographers including **Ansel Adams, Richard Avedon, Bill Brandt, Elliott Erwitt, Henri Cartier-Bresson, Nicholas Nixon, Gordon Parks, Sebastião Salgado, and Weegee** as well as sold-out works by contemporary masters such as **Loretta Lux, Vera Lutter, Sally Mann, Martin Parr, Alec Soth**, and more.

This year, we are pleased to present a special spotlight on women photographers, featuring a curated selection of works from the private collection of a New York collector who had a discerning eye for photographs by several of the most important female photographers of the twentieth century.

Highlights of the collection include works by **Ruth Bernhard, Ilse Bing, Florence Henri, Graciela Iturbide, Florence Henri, Lisette Model, Doris Ulmann**, and more.

Ruth Bernhard, Starshell, 1943

Curator **Malia Schramm** has been with the gallery since 1999 and specializes in secondary market consignments and sales.

“This exhibition reflects the evolving interests of collectors and remains one of the most anticipated events on our calendar.” — Malia Schramm
